Greetings Friends and Family of Ukraine-Kyiv Pavilion,

Glory to Ukraine!

Sadly, our homeland Ukraine continues to be in battle for its freedom. As citizens of the world, united with Ukraine, we must each do our part to support Ukraine. After a lengthy debate, it was decided that Ukraine-Kyiv Pavilion must proceed. We feel it is imperative, now more than ever, to showcase our culture, strength, and unity.

This year, Ukraine-Kyiv Pavilion will run during the first week of Folklorama (July 31st to August 6th, 2022) and will continue to be located at Maples Collegiate (1330 Jefferson Avenue).

Many of us may still not feel that the time is right to try to show any celebration of any kind and to focus all our energy on the urgent needs of the Ukrainian people! UCC Manitoba Provincial Council has been a key participant in those efforts. However, now perhaps more than ever, it is important we champion the contribution the Ukrainian people and the rich history we have made to our community and the world. We need to reach deep into our Ukrainian culture and to celebrate it in a way that no one could ever take it from us.

With your help, we can use our pavilion to continue to shine an important spotlight on why there is such a ferocious determination to fight for what is distinctly ours. Our young dancers and singers have already needed to silence their voices and their bodies for 2 years-due to COVID-19 restrictions. Now we believe that they too need more opportunities to show how they Stand with Ukraine!

We hope that you will consider supporting Ukraine-Kyiv Pavilion as a pavilion financial supporter and/or advertiser in 2022. Also, know that a portion of the proceeds collected through these financial supports will be used to further aid programs within the UCC Manitoba Provincial Council to help with displaced people from Ukraine in Manitoba. Because of this more urgent focus, the Ukraine-Kyiv supporters will have an opportunity to experience a unique visit to our pavilion; however, this will have a look and feel that is different from past years. This year our supporters will have the option to join us at our pavilion to enjoy a unique exclusive experience outside of our normal pavilion public offerings, with a more subdued tone and focus on cultural heritage and gatherings borrowed from our past. More details on this will be forthcoming in this unique experience in the very near future.

As part of this year's festival, the Pavilion's cultural exhibit is titled – **Слава Україні! Glory to Ukraine!** – which will highlight the cultural and historical imprint Ukrainian people have left on the world. Please visit Ukraine-Kyiv Pavilion's website (www.kyivpavilion.ca) to learn more about our plans for Folklorama 2022.

In order to meet our printing deadline for inclusion in the Pavilion Program, your response is requested by **Friday, July 15, 2022.**

We thank you in advance for your consideration and hope to see you soon at our pavilion.

Sincerely,

Joan Lewandosky
